

DDO
OLC #78-1128/8

MEMORANDUM FOR: C/AF/STD

FROM : [REDACTED]
C/AF/STA

SUBJECT : Detail [REDACTED] from the Office
of Legislative Counsel to Africa Division

1. [REDACTED] at the request of Chief/AF, has been detailed from the OLC to AF for an indefinite period of time to assist me on the Stockwell allegations and related matters.

2. OLC, although willing to continue to pay his salary, requests that we pay overtime which [REDACTED] accrues in our service. I concur with that decision. The suggested way to handle the same is for OLC to continue to pay him, both salary and overtime, and at the end of his tenure with AF, present AF with an accounting for the overtime portion of the payments.

3. This has been done by OLC in the past under similar conditions and is probably the easiest method available. Please signify your concurrence by initialing the box below.
